TRANSFORMING COMMUNITIES**

GET INVOLVED!

We are dedicated to expanding access to higher education for incarcerated individuals across Florida. Education is a fundamental human right; a powerful tool for personal growth, social mobility, and community transformation. Through partnerships with universities, corrections institutions, and community organizations, FCHEP promotes academic achievement, supports successful reentry, and works to reduce recidivism.

WHAT WE DO

Create statewide partnerships to expand college programs in prisons.

Advocate for policies that support access to higher education for system-impacted learners.

Support reentry success through education, mentorship, and community engagement.

BOOKS BEHIND BARS

Donate your unwanted books (of any kind) to FCHEP. We have collected and delivered over 100,000+ donated books to benefit incarcerated students in correctional facilities statewide!

FCHEP NEWSLETTER

Our bi-monthly newsletter that showcases all the great work our coalition, partners, and programs have been doing to achieve our mission.
