

GALLERY NAVIGATION GUIDE

Welcome to the 2022 Writing Fest UCF upper-division poster showcase!

You can navigate the gallery with your mouse or your arrow keys. Double-click your mouse to follow the footprints, and move incrementally by pressing up, down, right, or left with the arrows.

ICONS (upper left screen)

A tutorial can be found at the upper left that describes how to navigate the gallery.

THE POSTERS

The posters are interactive. When mouse-clicked, they display an abstract for the work and an audio file recorded by the student.

Some of the posters have QR codes which, when scanned, take the viewer to the student's full research project or published paper.
